

Dear Friends and Customers,

We would like to welcome you to our Annual Private Treaty Bull Sale on **Monday, February 17**. **We will be selling 22 top quality yearlings and 2 two-year-olds**. The silent bidding will open at **1:00** and close at **2:00 P.M.**, so feel free to come early and look through the bulls.

We have a really great set of bulls to sell this year. Quite a few of these bulls would work on heifers and young cows. There are also some bigger framed high-performance bulls here too. The 2-year-olds were not offered for sale last year, they were late born calves that I liked, so I held them over to sell as older bulls.

We have a no excuses approach to our cow herd. The purebred Charolais cows run alongside our commercial Angus/Baldy cows. They don't get any special treatment. The cows are expected to graze at least into January, sometimes longer. They are expected to calve on time, breed back, and raise a good calf with no creep feed and are culled hard for temperament, bad udders, and poor structure. By managing the herd this way, we are weeding out the inferior and inefficient genetics. We feel we have bulls that will work for anyone.

If you are interested in purchasing a bull but are unable to attend on the opening day, you can look through the bulls beforehand and make your selections. If you are unable to attend at all, we can help you pick out a bull over the phone and we **guarantee satisfaction** on your purchase.

Also, we will **deliver for free up to 350 miles** with purchases of \$3000 or more. We also are offering a \$100 per bull discount if you choose to take your bull home right away. **We will feed your bulls free of charge until April 1st**. All bulls are guaranteed breeders.

Included is a listing of the bulls for sale and their performance data. Additional data and prices will be available prior to sale day. We invite you to look through our cattle anytime that you are in the area. If you have any questions or need additional information, feel free to contact us. We appreciate your past business and look forward to visiting with you.
